Lisa' Can' Refer their de lette de le Agent' Because of Help From March of Dimes

The new lease on life accorded little Lisa is due in great measure to the treatment she continues to receive each month at the arthritis clinical study center at University of Rochester-Strong Memorial Hospital, established with public contributions to the March of Dimes. Stricken three years ago with butions to the March of Dimer.
Stricken three years ago with
baffling rheumatud arthritis in
her right less the attractive
child wore a cast for many
months but now no longer
wears it at night—although she
goes to sleep hugging "my old
leg" like a doll.

Lisa is one of 30,000 youngsters in the United States who are afflicted by rheumatoid ar-thritis which interferes with bone growth and may cause deformity. In addition to the study center visited by Lisa at Rochester, March of Dimes funds have made possible the opening of additional arthritis study centers in New York City, Dallas and San Francisco. Mrs. Sliker recounts:

"My husband and I were scared witless when Lise's stumbling was diagnosed as provoked by rheumatoid arthritis, which somehow sounded like something that might strike your great-grandfather,

"It was a terrifying experience for us to watch Lisa lying motionless in her crib, pain in her eyes and face but holding worker in her county during back the tears. Her right knee was swollen to unbelievable size But now that she is much better and some day may walk again unassisted by crutches, we pray that, like Lisa, others

Lisa Sliker, four, theumatoid arthritis victim, is able to feed tiful, merry and innocent little her Daddy's pigs on farm at Leicester, N. Y., although she baby with whom God had still wears cust on her right leg. "It was a terrifying experience for us to watch Lisa lying of Dimes."

COUNTY AGENT'S

NOTES O. O. SWORDS

CATTLE LICE

You know what lice will do to your cattle. Your fattening ammals will slow down in weight gain. Your milking cows will drop off in milk production.
This loss, when lice infesta-

tion is heavy, can be as much as 25 per cent in milk production and up to half pound daily

beef gain.

When dusting or spraying for control of lice, be careful. Know what materials you are using. Know the restrictions on their

Check with your local county Jan and Jeff Rutherford, Don and agent for the latest information using insecticides for control of lice and other insects.

SOIL TESTING

How much fertilizer are you going to use under your next year's crops? Are you going to use the same amount on all of your land? The same amount for the different crops?

If you do, you are guessing! And guesswork costs money when it comes to use of fertilizer. You stand a good chance of using too little. some chance of using too much. Both are wasteful.

A soils test will take the guess work out of your fertilizer pro-Your county agent has a sup-

ply of soil sample boxes and in-structions for taking good soil samples.

DAIRY COSTS IN 1961

Prices for goods (except feed) and services used in milk pro-duction are expected to be higher in 1961 than they were this ear. Prices of fertilizer, feed and

seed are expected to be about like they were this year. Wages, rent, land values, interest, taxes and insurance are expected to continue upward.

This means that Mississippi dairymen must make good plans and follow through closely with top farm management if pres ent dairy profits are to be main-

OF YOUR CHOICE

Every marcher has been summoned by advertisements . . . elated by the music and decorations . . . inspired by the joy of giving. Each has a destination, an objective, a mission. And there's a kind of desperate dedication in it all: everyone searching for something someone else needs!

But never confuse the December parade with the real dedication of Christmas. What every soul needs is not displayed in win-

And Christmas means nothing unless it means: ALL WE REALLY NEED ... GOD HAS GIVEN!

HO-7-5324

In the church of your choice, dedicate your life

anew to the Christ Child.

neither democracy nor civilization can survive. There are four sound reasons why every person should attend services larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go
